

My name is Paul Gatward, and I have lived in Bretton for over 11 years. In that time, I have seen a deterioration of the area and the community. So, I became a Parish Councillor to try and keep Bretton cleaner and tidier and to work and bring cohesion to the diverse communities we have based on ages and ethnicities.

I am also keen to reduce crime and anti-social behaviour in Bretton.

I am also a familiar face at the monthly bulky waste services, which is run by Bretton Parish Council, allowing residents to dispose of their bulky waste appropriately.

My aspiration is to keep the precept from increasing, but I understand that this may not always be feasible based on the cost of living.

I am a strong supporter of the basketball court/youth shelter in North Bretton to be reinstated as soon as possible, along with other members of the community and Parish Councillors.

Please contact me if you wish to discuss any concerns, as I am here to help.
