Jobsmart SIA + CCTV

Employer

Mitie

Security (SIA) (Includes Stewarding & First Aid)

Who are these qualifications for?

These qualifications are designed for people who want to get into the security industry. The sorts of jobs that people go into having done these qualifications are: door supervisors, security officers, security guards, festival stewards and CCTV operators.

Entry Requirements

There is an initial assessment which all applicants are required to do at Jobsmart, those with an English level of Entry 3 or above will be accepted, there are written examinations as part of the course. All candidates must have photo ID such as provisional driving licence, passport or ID card. If a candidate has spent or unspent criminal convictions, a further check may have to be made on the Security Industry Authority website to check if the candidate is eligible.

What should I expect from the course?

The Security Industry Authority require that candidates on the course attend all the training, without exception. Candidates are expected to dress in dark trousers/skirt, light shirt and no hats, caps or hoodies.

Where could I progress to after completing these qualifications?

There are many opportunities for progression from these qualifications. Other licences that you can get include: Close Protection, Security Guarding and Cash & Valuables in Transit. There are many opportunities in and around Peterborough for security jobs. In addition, once candidates have their SIA licence, they can be used all over the UK.

Key Information

Entry Requirements

There are no formal entry requirements
