

Peterborough City Council's Winter Warmth Funding 2022/2023

Delivered through Peterborough Care & Repair

Professional's Fact Sheet

Funding is available through this current cost of living crisis for a range of measures to help vulnerable, lower income residents through the winter months. If the clients you are seeing are facing problems with maintaining a warm and comfortable home environment, the Council may be able to assist with the following measures:

- ✓ **Boilers Replacements - due to breakdowns/energy inefficiency – including the loan of emergency portable heaters whilst work is on order ***
- ✓ **Boiler Repairs up to £500 ***
- ✓ **Boiler Servicing**
- ✓ **Installation of Thermostatic Radiator Valves to control room temperatures ***
- ✓ **Smart boiler/heating controls where appropriate ***
- ✓ **Damp proofing ***
- ✓ **Essential repairs linked to electrical and heating issues ***
- ✓ **Electrical upgrades and new installations ***
- ✓ **Double Glazing of single glazed door and windows ***
- ✓ **Valves on LPG cylinders to meet new Building Control requirements**
- ✓ **Dehumidifiers to mitigate condensation damp where appropriate ***
- ✓ **Small energy efficient electrical appliances where appropriate**
- ✓ **Loft insulation when there is currently less than 100mm of insulation ***

*** Subject to property survey**

Eligibility Criteria – in receipt of:

- Homeowner is resident in Peterborough Unitary Authority area
- And is receipt of one of the following:
 - ✓ **Income-related Employment and Support Allowance**
